November 2009

Dear Friend,

We hope this letter finds you, your family and friends in good health. As we approach the end of 2009, we are writing to ask that you consider a tax deductible donation to the Haddam Volunteer Ambulance Service, Inc. (HVAS).

Contributions last year were greatly appreciated, which enabled HVAS to meet a number of goals for supporting the emergency medical needs of Haddam and Higganum residents.

Over the past year, HVAS transported over 450 people to the hospital, including heart attack victims, those involved in automobile and boating accidents and those with serious medical illnesses and injuries. Funds raised from last year enabled HVAS to make a down payment on a new ambulance, expected to be delivered in early 2010.

Your gift is very important and will enable HVAS to provide the highest quality medical care possible using updated equipment to all our town's residents and their guests. Funds raised from this year's contributions will be used toward equipping the new ambulance with radios and other safety equipment.

Members of HVAS actively participate in a variety of events including community education and demonstrations of our services for civic and senior groups in both Haddam and Higganum.

In closing, we thank you in advance for considering a gift to the Haddam Volunteer Ambulance Service, Inc. We are committed to serving our community 24 hours a day, 365 days a year. For further information about our ambulance service or to become a volunteer, please visit our web site at www.haddamambulance.org, or contact us at (860) 345-2500.

Sincerely,

The Haddam Volunteer Ambulance Service
