November 2011

Dear Friend,

We hope this letter finds you, your family and friends in good health. As we approach the end of 2011, we are writing to ask that you consider a tax deductible donation to the Haddam Volunteer Ambulance Service, Inc. (HVAS).

Contributions last year were greatly appreciated, which enabled HVAS to meet a number of goals for supporting the emergency medical needs of Haddam and Higganum residents. Funds raised from last year enabled HVAS to upgrade our ambulances to the most current safety standards.

Over the past year, HVAS responded to over 550 requests for emergency services including heart attack victims, those involved in automobile and boating accidents, and those with serious medical illnesses and injuries.

Your gift is very important and will enable HVAS to continue to provide the highest quality care possible using state of the art equipment to all of our town's residents and their guests. Funds raised from this year's contributions will be used toward the purchase of cardio pulmonary resuscitation (CPR) assist devices.

HVAS offers Friends and Family CPR classes for interested parties free of charge. Our members actively participate in a variety of events including community education and demonstrations of our services for civic organizations in both Haddam and Higganum.

In closing, we thank you in advance for considering a gift to the Haddam Volunteer Ambulance Service, Inc. In addition, please consider becoming a volunteer medical member. We are committed to serving our community 24 hours a day, 365 days a year. For further information about our ambulance service please visit our web site at www.haddamambulance.org, or contact us at (860) 345-2500.

Sincerely,

The Haddam Volunteer Ambulance Service
